To Whom It May Concern:

I am writing this letter to recommend you consider StarGroup International for your upcoming anniversary book. Brenda approached The Breakers in 2010 with the idea of producing a commemorative book in honor of the Town of Palm Beach's upcoming Centennial.

Her professionalism and creativity was a true asset to the project. We were quite pleased with the quality of the final product as well as the service provided throughout the planning process.

In closing, The Breakers and StarGroup International have had a successful partnership over the past two years. Please feel free to contact me if I can provide additional commentary in support of their proposal.

Sincerely,

Paul N. Leone
President
